As a student, you will be exposed to diverse musical theatre styles and to the broadly accepted musical skills of aural awareness training, music theory and ensemble work appropriate to this genre.

Studying musical theatre at the Queensland Conservatorium will provide you with intensive practical training in acting and improvisation, speech, voice, singing, dance and movement, focused on producing the 'triple threat' performer - one who is proficient in singing, acting and movement.

The productions included in the degree emulate professional productions, thereby providing students with authentic professional experiences.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

Managing interruptions

The following advice provides specific information about interrupting your studies in this program:

Leave of Absence: Students undertaking this program may apply for a maximum of two trimesters leave of absence and prior approval must be obtained by submitting an online [Leave of Absence application](#) form to a [Griffith Student Centre](#). First year Conservatorium students will not normally be granted leave of absence except on compassionate grounds.

Work-integrated learning

While there are no designated work integrated learning courses, the productions included in the Musical Theatre coursework emulate professional productions, thereby providing students with authentic experiences of professional Musical Theatre activities.

My career opportunities

My career opportunities

There is an identified shortage of professionally trained musical theatre performers throughout Australia. At the same time, there is an increasing number of musical theatre productions being toured throughout Australia and an increasing demand for musical theatre product.

As a graduate, you will be skilled in singing, acting and dancing and be equipped to perform in cabaret, theatre, television, film and musical theatre, as well as more diverse entertainment mediums such as festival, theme parks and cruises. There is endless variety in this broad area of entertainment. It is expected that graduates will write and produce their own work for public performance.
