Available at Gold Coast Campus	IELTS (Academic) (more)	Apply Now
Duration 3 years full-time	CRICOS code 094401E	
Credit points 240	Commencing in Trimester 1 and Trimester 3	
Indicative fee \$27,500.00* per year (more) * 2020 indicative annual fee		

Why choose this program?

You will develop the knowledge and skills needed to work in public health roles around the world. You will learn how to address major health issues including chronic disease, sexual health, nutrition, HIV/AIDs, physical activity, drugs and alcohol within many populations such as Aboriginal and Torres Strait Islander peoples, youth, seniors and in settings such as workplaces, hospital and schools.

In the final year, you will put your academic studies into practice through professional placements in public health organisations. The placements can be in either local or international locations. Visit [Placement Essentials](#) for details.

Honours

Honours is available for this degree (through an additional year of study).

My attendance during the program

Attendance information

The program is offered in full-time, on-campus mode at the Gold Coast campus.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

Work-integrated learning

Students will complete at least 240 hours of work integrated learning in the course 3201MED_Y1 Public Health Practicum/3201MED_Y2 Public Health Practicum.

My career opportunities

My career opportunities

As a graduate you will be qualified to work as a health promotion officer or a public health officer in a number of fields including health education, mental health, women's health and policy development. You will find work in local state and government departments and agencies, non-government organisations, health centres, schools and community organisations.

Professional recognition

Professional recognition

Graduates will be eligible for membership of the [Public Health Association of Australia \(PHAA\)](#).

Placement requirements

Before I enrol

- Criminal History Check
- Immunisation and Health Record
- Working with Children Check (Blue Card)

Professional placements

- Griffith University Health and Safety Induction
- Griffith University Student Deed Poll
- New South Wales Health placement requirements (including mandatory training)
- Queensland Health placement requirements

There are placements associated with this program. Students should refer to the **checklist of pre-placement and placement requirements for their Health discipline** on the [Fit for Placement website](#) for full details of the requirements regarding clinical placement to ensure that they meet eligibility for placement.

Note: In the event that there is a difference between the contents published on the Fit for Placement website and the program-specific information published on the Degree and Career Finder/Programs and Courses websites, or where information published on the Fit for Placement website is not in accordance with University Policy, the Degree and Career Finder/Programs and Courses website contents and University Policy shall override the information on the Fit for Placement website.

Pathways to further study

Pathways to further study

Students who successfully complete the Bachelor of Public Health (1440) with a GPA of 5.0 or higher over the second and third year of the Bachelor degree will be eligible for admission into the [Bachelor of Public Health \(Honours\) \(2103\)](#). Further study options also include the [Doctor of Medicine \(5099\)](#), the [Master of Public Health \(5263\)](#) and the [Master of Health Services Management \(5586\)](#). Students interested in further study should consult the Program Director.

What are the fees?

International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a person who has Australian permanent resident status.

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

Program fees for the Bachelor of Public Health (1440)

Year of study	Fee category/Band	Fee per CP	Tuition fee 80cp
2020	Fee Band 27.5	\$343.75	\$27,500.00
2019	Fee Band 26.5	\$331.25	\$26,500.00

Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place subject to availability.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
