### Law component

Griffith Law School offers a professional legal curriculum that focuses on core areas of legal practice and the legal skills that lawyers must have. You will have the opportunity to choose law electives based on your interests, including clinical courses that emphasise practical legal skills, insights and experience.

You will make connections between law and ethics, legal theory, Indigenous issues, and internationalisation. You will also develop interdisciplinary understandings of law and legal work.

You will take courses that cover areas such as Crime, Contracts, Property, Corporate Law, Torts and Theories of Law.

If you complete the five Canadian Law courses, you will eligible for entry into the legal profession in Canada's common law provinces, when accompanied by a Certificate of Qualification from the National Committee on Accreditation (NCA) of the Federation of Law Societies of Canada.

### Business component

Through the Bachelor of Business, you will gain a solid foundation in all aspects of business and develop an understanding of the social, cultural and political dimensions of business. You will enhance this knowledge with further expertise and experience by choosing a major in your second year of study from the following list:

- Asian Business
- Behavioural Science
- Employment Relations
- Entrepreneurship and Self-Employment
- Event Management
- Human Resource Management
- International Business

You can also choose not to complete a major by selecting from a range of courses that will provide broad knowledge for a career in business management.

## My attendance during the program

### Attendance information

The Bachelor of Laws (Honours)/Bachelor of Business is offered full-time on-campus at the Nathan and Gold Coast campuses.

As a full-time student you will generally attend 10-15 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and early evening throughout the week.

Some law electives are based at Nathan campus, South Bank and some at the Gold Coast. A few law electives are run in intensive mode, including in trimester 3. Intensive mode means that classes may be compacted over a week, or over several weekends. Some law electives are 'clinics' which typically involve work off campus. Law electives are not normally undertaken until the final two years of your law degree.

### Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.
