OP 1-6 or ATAR 90+

Guarantee

If you receive an OP of 1-6 or ATAR of 90+ and meet subject prerequisites, you are guaranteed a place in this program.

Why choose this program?

This program is scheduled to commence in 2020.

This degree provides students with a comprehensive grounding in legal practice and legal skills with a focus on the interaction and impact of human societies on the environment.

Students will develop an understanding of environmental economics, environmental ethics, environmental law and governance and the national and international policy context, as they pertain to environmental management. Students will also be equipped with the skills required of an environmental practitioner and have the opportunity to undertake capstone projects or an industry placement.

If you complete the five Canadian Law courses, you will be eligible for entry into the legal profession in Canada's common law provinces, when accompanied by a Certificate of Qualification from the National Committee on Accreditation (NCA) of the Federation of Law Societies of Canada.

My attendance during the program

Attendance information

The Bachelor of Laws (Honours)/Bachelor of Environmental Science is offered full-time on-campus at the Nathan and Gold Coast campuses.

As a full-time student you will generally attend 10-15 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and early evening throughout the week.

Some law electives are based at Nathan campus, some at the Gold Coast. A few law electives are run in intensive mode, including in trimester 3. Intensive mode means that classes may be compacted over a week, or over several weekends. Some law electives are 'clinics' which typically involve work off campus. Law electives are not normally undertaken until the final two years of your law degree.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

Work-integrated learning

The Bachelor of Laws provides the opportunity for optional work-integrated learning through its variety of Clinic courses.
