Why choose this program?

The program aims to bring students to a level of maturity in their understanding and practice of scholarly work within the Computer Science discipline as well as providing training in the techniques, skills and theoretical background necessary for subsequent postgraduate research.

My attendance during the program

Attendance information

This program will be offered full-time and part-time on-campus at the Gold Coast.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.
