### Why choose this program?

You will learn through a problem-based curriculum, active learning in small groups and practical work placements that facilitate the integration of theory and practice. As a speech pathologist, you will be equipped to work in a wide range of health and educational settings. You will develop research literacy and enhance your ability to respond to changes and provide quality services throughout your professional life.

### My attendance during the program

#### Attendance information

The program is offered in full-time, on-campus mode at the Gold Coast campus. The program includes a series of professional placements as detailed below. Students will need to be available to attend the on-campus teaching plus professional placements as specified.

The professional placement requirements for the program are:

- Year 1 trimester 1 : 1 full day per week
- Year 1 trimester 2 : 2 full days per week
- Year 2 trimester 1 : 2 full days per week
- Year 2 trimester 2 : 4 full days per week

#### Work-integrated learning

Work-integrated learning activities (professional placements) integrate theoretical learning with its application in the workplace. The inclusion of work-integrated learning activities in the degree program demonstrates Griffith's commitment to preparing its graduates for success in their working life.

In this program you will spend time in the work/professional environment undertaking placements at various locations. Placements in the second year of the course may be outside of the Brisbane metropolitan/Gold Coast area including northern New South Wales and (by negotiation) interstate or overseas.
