<b>Duration</b> 1 year full-time 2 years part-time		
<b>Credit points</b> 80		
<b>Indicative fee</b> Exempt under RTP ( <a href="#">more</a> )		

### Why choose this program?

This degree is a research program of advanced professional learning and will help you develop greater expertise in research. You will learn how to apply an advanced body of knowledge and skills in a range of contexts for research, scholarship and as a pathway for further learning. You will plan and execute a substantial piece of research, which is reported in the form of a dissertation. The dissertation will investigate a topic that is relevant to the student and would normally be expected to be approximately 30,000 words.

The program will give eligibility for further doctoral research. It is advisable to meet with the program convenor prior to enrolment.

### My attendance during the program

#### Attendance information

Flexible study options include online or on-campus study in intensive, full-time or part-time modes.

#### Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

### My career opportunities

#### My career opportunities

Students who successfully complete this degree will be eligible for entry into a doctoral program and for consideration for higher degree by research scholarships. The program will prepare you for a career in research-related work.

**Please note** this degree is not an initial teacher education program and will not lead to registration as a teacher in Queensland schools.

### Pathways to further study

### **Pathways to further study**

Students can progress to the Doctor of Philosophy (PhD) or Doctor of Education (EdD) program after successfully completing the program at the required standard.

### **What are the fees?**

#### **Additional fee information**

##### **Domestic research candidates**

Domestic candidates who are admitted to this Higher Degree Research (HDR) program are exempt from tuition fees. Candidates will be provided a Commonwealth Government Research Training Program (RTP) Fee Offset supplemented by tuition fee support from Griffith University.
