Why choose this program?

As an experienced musician, this degree will provide you with the opportunity to upgrade your skills and qualifications through research based on your practice. This program emphasises work-based learning and will utilise your experience and working environment.

My career opportunities

My career opportunities

You will be able to position yourself within your field of expertise with authority and conceive, initiate and conduct substantial artistic research projects independently. You will be able to provide leadership and authoritative feedback on other research. You will find employment opportunities in universities and other educational or arts institutions, as well in industry environments.

What are the fees?

Additional fee information

Domestic research candidates

Domestic candidates who are admitted to this Higher Degree Research (HDR) program are exempt from tuition fees. Candidates will be provided a Commonwealth Government Research Training Program (RTP) Fee Offset supplemented by tuition fee support from Griffith University.
