Why choose this program?

In this degree, you will develop an in-depth understanding of educational problem-solving in the changing social, cultural and political contexts of education. Designed to meet the needs and aspirations of those working in a broad range of educational settings, you will follow your own unique pathway of research-based study based on an area of professional interest.

You will learn to integrate contemporary research with your professional interests and develop and enhance your skills in the critical analysis of educational issues and practice. You will also expand your understanding of the nature of educational work and its social and cultural significance. As a graduate, you will be prepared for specialised practice in teaching and managerial careers in education.

My attendance during the program

Attendance information

This program is offered on-campus and/or online in full-time or part-time mode.

My career opportunities

My career opportunities

You will be prepared for leadership and management positions in educational institutions and systems, and other organisations that run educational programs. You will also be prepared for working in research, policymaking and new information technologies.

What are the fees?

Additional fee information

Domestic research candidates

Domestic candidates who are admitted to this Higher Degree Research (HDR) program are exempt from tuition fees. Candidates will be provided a Commonwealth Government Research Training Program (RTP) Fee Offset supplemented by tuition fee support from Griffith University.
